

Tuesdays @ 10

Welcome to the Second Season of **Tuesdays@10** plein air.

If it is raining or other inclement weather, I probably won't be there. If you are there, paint or draw something, and tell us the story later. A cancelled gathering will be rescheduled for a later date. Oh, if you haven't made the connection, it starts at 10 am, and it ends somewhere around noon.

This is an Open Event to all members—plus. So, tell a friend or bring a friend; but remember, as with all our activities, it is “Participate at your own Risk”. If an unleashed dog bites you and not me, it is not my fault, lol. Your participation confirms your understanding.

The purpose of the group is to develop our skills in composing by drawing or painting in a quick changing setting/lighting, while enjoying the outdoors. It is challenging and fun, so please join us when you can.

Here's what you need ...

- **Simple:** A blanket, sketch book and pencil
- **Better:** A lawn chair, with table and umbrella for sun/artwork protection
- **Best:** A lawn chair, with easel and paints, and umbrella for sun/artwork protection

Also consider ...

- A Bonnet or Hat
- Sunblock
- Drinking water
- Fruit or snack
- Bug spray
- Medications if required
- Camera to take a reminder shot for later

A pamphlet on Plein Air painting is available from the Grimsby Public Art Gallery. I have a few. It can also be found on our website.

The Second Season ends on the 24th of September as I am heading south for 6 weeks. I wanted to say, **Thank You**, to everyone who came out last year and made it a success. I have 15 little paintings I would not have done otherwise, and I enjoyed all the chat and company. Of course, if you have a location you would like to share there are an Open date that can be used.

I am looking forward to seeing you join us when you can. So, **Happy Painting!**

If you have questions or want notices of change, email me at darcher@cogeco.ca.

Doug
