

Tuesdays @ 10

Welcome to **Tuesdays@10**, plein air.

If it is raining or other inclement weather, I probably won't be there. If you are there, paint or draw something, and tell us the story later. A cancelled gathering will be rescheduled for a later date. Oh, and if you haven't figured it out, we meet at 10 am.

Purpose:

The purpose of the group is to develop our skills in composing, and drawing or painting, in a quick changing setting/lighting, while enjoying the Outdoors. It is challenging and fun, so please join us if you can.

Requirements:

- Simple — A blanket, sketchbook and pencil.
- Better — A lawn chair, with table and an umbrella for sun/artwork protection.
- Best — A lawn chair, with easel and paints, and an umbrella for sun protection.

Also consider:

- A Bonnet/Hat
- Sunblock
- Drinking water
- Fruit, or snack
- Bug spray
- Medications—if required
- Camera—to take a reminder shot, would help.
- A pamphlet on "Plein air Painting, is available from the Art Gallery of Grimsby, I have a few.
- This are an "Open event" to all members, plus. So, tell a friend, bring a friend, but remember, as with all our activities, it is "Participate at your own risk"; so if an unleashed dog bites you, and not me, it is not my fault, lol. Your participation confirms your understanding.

The following is the balance of the season, planned but not perfect, schedule.

- July 10—Puddicombe Farms, Hwy 8 near Fifty Road, at the Winona sign, rear parking

- July 17—Puddicombe Farms, *(as above)*

This first season will end on the 25th, as I am heading south for 6 weeks.

OH! A “White Umbrella”, was the preferred choice by Monet, Renoir, and others, to diffuse the light, of course. And ... if you have a “Secret location”, to suggest, please bring it up for discussion. I am looking forward to seeing you join us, when you can.

Happy Painting,
