

# Tuesdays @ 10

Welcome to **Tuesdays@10** plein air.

The purpose of these sessions is to develop our skills in composition by drawing or painting quickly in changing conditions, while enjoying the outdoors. It's challenging and fun, so come out and join us.

It is open to all members, and their family and friends. Remember, these activities are "Participate at your own risk". Your participation confirms your understanding.

If the weather is bad, we probably won't be there. However, if you are there, paint or draw something and tell us the story later. Oh, and if you haven't made the connection, it starts at 10 am each Tuesday and it ends around noon.

This year we are starting late – in June – with the last session scheduled for the 27<sup>th</sup> of September.

Here's what you need ...

- **Simple:** A blanket, sketch book and pencil
- **Better:** A lawn chair, with table and umbrella for sun/artwork protection
- **Best:** A lawn chair, with easel and paints, and umbrella for sun/artwork protection

Also consider ...

- hat
- sunblock
- drinking water
- fruit or snack
- bug spray
- medications if required
- camera to take a reference photo

A pamphlet on Plein Air painting is available on our website under *Resources*. The pamphlet is also available from the Grimsby Public Art Gallery.

Thanks to everyone who came out last year and made it a success. I have many paintings I wouldn't have done otherwise, and I enjoyed the company and chats. Of course, if you have a location you would like to share, let us know at [darcher@cogeco.ca](mailto:darcher@cogeco.ca).

I'm looking forward to seeing you there. So, join us when you can. **Happy Painting!**

Doug
